DEFENDANTS

ORDER

The Court has recently recalled Magistrate Judge Beth Deere. Among other things, she will be assisting the Court on complicated commercial disputes, like this one. The Court refers this case to Judge Deere. She will resolve the parties' current discovery dispute, *Doc. 93*, any future such disputes, and all other non-dispositive pretrial matters. She will also, in due course, make a recommendation on the expected motions for class certification and summary judgment. The Court appreciates Judge Deere's accepting responsibility for the management of this case.

So Ordered.
